Truckee Republican

81st Year, No. 48 | Truckee, Nevada County, California | Thursday, November 2, 1950 | Since 1869

Election Issues To Be Decided At Polls Tues.

Supervisor, Sheriff Races Hold Interest In Tahoe Area

With no county-wide nor township contests locally, voters in Truckee and Soda Springs will concentrate their attention on the contests for governor, U. S. senator and attorney general, along with 11 ballot propositions, when they go to the polls next Tuesday, November 7.

As usual, polls will be open from 7 a.m. to 7 p.m. at the Truckee elementary school, the Truckee fire house and Soda Springs Hotel.

The campaigns of Governor Earl Warren, Republican, and his opponent, James Roosevelt, Democrat, are now reaching a climax.

Receiving considerable attention is the race for attorney general between Edward Shattuck, Republican, and Edmund Brown, Democrat. Claude Watson is the Prohibition candidate.

Vigorous Senate Fight

Vigorous campaigns are being waged for the position of U. S. Senator by Richard Nixon, Republican, and Helen Gahagan Douglas, Democrat.

Lieut. Gov. Goodwin Knight, Board of Equalization member J. L. Seawell, Representative Clair Engle and Assemblyman Francis Lindsay have no ballot opposition. Secretary of State Frank Jordan, Controller Thomas H. Kuchel and Treasurer Charles G. Johnson, all Republicans, also captured the Democratic nominations in the primary and face opposition only from the two minor parties, the Independent Progressives and the Prohibition.

11 Propositions

Measures to be decided are:

No. 1: Personal property tax exemption.

No. 2: Constitutional amendment and laws, naming persons to office.

No. 3: Inferior court reorganization.

No. 4: Eligibility to vote.

No. 5: Permits legislators to hold office on commissions and boards.

No. 6: Legalizing and licensing gambling.

No. 7: Permits blind persons to be licensed as chiropractors.

No. 8: Compensation of local officials.

No. 9: Exempting certain persons from civil service.

No. 10: Requires elections to establish public housing projects.

No. 11: Land titles.

Placer Precincts

In the Tahoe City, Kings Beach and Donner Summit precincts in Placer County, the contest for sheriff between incumbent E. J. Kenison and William Elam of Roseville will heighten interest in the balloting. In a simultaneous special election for supervisor from the fifth district, K. B. (Ken) Steddom of Tahoe City is opposed by L. L. Anderson and Bill Akins and this contest is expected to bring a record turnout Tuesday in the Tahoe City precincts.

Walkers Entertain At Home Costume Party

Mr. and Mrs. James Walker entertained at a costume party on Saturday evening for a group of friends. Dancing was enjoyed and a buffet supper served at the close of the evening. Decorations, typical of Halloween, were used in the rooms. Those attending included Messrs. and Mesdames Karl Kielhofer, Douglas Barrett, John Street, Robert Leamon, George Kamp and Mrs. Angelo Besio.

Woman Slightly Hurt In Highway Mishap

Dorothy Faye Adair, 25, Los Angeles, suffered minor injuries when a car driven by her husband, H. G. Adair, skidded on the highway four miles west of Soda Springs and overturned at 8 o'clock Monday morning. She was treated by Dr. L. D. Nelson. Patrolman Charleston White made the investigation.

Bay City Man Hurt In Summit Accident

James Berry, 52, San Francisco, suffered minor injuries to his face when a car he was driving left the road and overturned on Donner Summit Friday morning. Patrolman William Gautsche investigated.

Spratts to Chico—

Mr. and Mrs. William Spratt have gone to Chico where the former was transferred by the Southern Pacific Company.

New Station Is Opened At Wye By Local Pair

The new Associated Y Service Station, one mile west of Truckee on Highway 40, opened this morning after several weeks of construction, and Bruce M. Kuehn, who, with Robert Johnston, own the property, announced that work will start immediately on a proposed restaurant and bar to be located just east of the station in the same location.

The new station will feature Associated products and is equipped to handle all automotive services, Kuehn said. Federal and Kelly tires, Aero batteries and other standard auto accessories are available.

The station will be operated by C. W. Kydd, Truckee Associated distributor, for the time being at least.

The building, constructed of concrete blocks, occupies 1200 square feet and is designed along the same general lines as other modern Associated stations.

Kuehn said he and Johnston hope to have the restaurant and bar in operation by the first of the year. They have a general on-sale liquor license.

POLICE FACING MINOR WAVE OF BURGLARY HERE

Deputy Sheriff Fosten Wilson this week declared that he and Constable N. F. Dolley are concentrating on breaking up what he described as an apparent minor crime wave in which burglaries are becoming too frequent.

Wilson said three burglaries have been reported to the police within a short time.

The Paul Rausch home was entered while the family was absent and a gun and typewriter stolen. A rear door was forced so the culprits could enter.

Mrs. Orlan Waters reported that thieves entered their home in the same locality and stole a rifle.

Si Perkins of the Stone Garage said he missed two batteries and other auto accessories after thieves broke into the rear door of the garage Saturday night.

The local officer said clues are expected to lead to the arrest of the culprits, believed to be familiar with the places they entered and looted.

First Grade Students Visit Reno Airport

Pupils from the first grade at the Truckee elementary school Tuesday enjoyed a visit to the Reno airport where they inspected airplanes, towers and other facilities. They were accompanied by their teacher, Mrs. Carl Miescke, and several mothers of the children. Following lunch, they returned by bus. Each of the children was presented with a souvenir badge by the United Airlines.

Mrs. Lyons Is Hostess At Halloween Party

Mrs. James Lyons was hostess at a party on Halloween for a group of young people. Games, with prizes, and refreshments were enjoyed by Suellen and Shirley Guymer; Toni and Butch Shuler; Sandra, Sarah, Steven, Bob and Don Van Sickle; Joe and Monty Straub and Ellen Gail Lyons.

After the children had their party, a light luncheon was served to Mesdames Lloyd Van Sickle, Bob Van Sickle, Ray Guymer, Al Haltom, James Lowry and Helen Knapp.

San Francisco Man Expires on Summit

Glen W. Memmott, 51, of San Francisco, expired to a heart attack on Donner Summit Saturday morning at 2 a.m. while returning to his home with two sisters and two brothers after attending the funeral of another sister in Utah.

The Truckee Colonial Mortuary took charge of the body and shipped it to San Francisco for funeral services.

Storm Is Cause Of Power Delay In Tahoe Area

Rains Boost Precipitation 4.78 Inches Above Normal

The storm which caused such havoc in the coastal and valley areas during the past week, left this area more or less unmolested, although power and telephone lines were damaged by falling trees and a few roadside signs were blown down.

The forest service reported the storm deposited a total of 5.78 inches of rain in the Truckee area to bring the season's total to 6.27 inches or 4.78 inches over the 1.39 inch normal for November 1. Precipitation for the month of October was 6.02 inches, according to William F. Curran, assistant fire control officer.

Between a foot and two feet of snow, depending upon the location, fell in the Donner Summit area but has largely disappeared because of the mild weather.

During the past week, considerable trouble was experienced by the Sierra Pacific Power Company at Tahoe, caused by fallen trees which crashed during recent storms. On October 26 two trees fell across the Truckee - Tahoe highway, one near Lake Inn about a quarter of a mile from Tahoe City and another near Squaw Creek, an unidentified motorist badly damaging his car when he ran into the obstruction across the road during the storm.

Power was disrupted for seven or eight hours in the area between Meeks Bay and the Tallac fish hatchery when three trees blew across the wires in the Rubicon district. Power was off for several hours in the Tahoe City area when six trees south of there and three north tangled up wires in the storm.

CHAMBER, T.P.U.D. AGREE ON TERMS FOR FINANCING

An arrangement which is expected to clarify the financial relationship between the Truckee Chamber of Commerce and the Truckee Public Utility District was satisfactorily worked out at a meeting of the directors of the two organizations Tuesday afternoon.

President Reginald Smart of the chamber of commerce headed a delegation to call upon the utility directors to ask the latter to make changes in the financial setup for the secretary's employment by both organizations.

For some time past, the district has contributed largely to the chamber but, Smart pointed out, this contribution was used exclusively for the salary of the secretary, Mrs. George Kamp, while the latter was primarily employed by the district. As a matter of fact, Smart said, the district's contribution was not sufficient for the salary and the chamber was required to augment from money collected as dues, leaving the booster organization nothing on which to operate.

Under the agreement decided upon, Mrs. Kamp will continue to serve as secretary for the chamber part time, but her full salary will be paid by the district, with the chamber funds left for promotional purposes.

The office of the chamber will remain in the same quarters with the utility district office and Mrs. Kamp will continue as secretary of both organizations, E. L. Loynd, president of the utility district board, announced.

Donner Duck Hunter Fined For Violation

E. H. Westberg, Truckee, was fined $25 by Justice of the Peace R. N. Little this week for shooting ducks from a power boat on Donner Lake. He also had five grebes, which are protected by law even during duck hunting season, in his possession. He was cited by Game Warden Thomas Borneman.

Sun Beams

by Walter M. Barrett

It is not so important how you vote Tuesday as it is that you vote. The fact that only a few over half of those qualified to vote got to the polls last election was disgraceful and as a result, the real opinion of the majority was not expressed and pressure groups and crack-pot ideas had a field day in many quarters. Next Tuesday get to the polls and vote—vote as you please but by all means let your wishes be known by the American system.

With the exception of soaped windows, a few misplaced garbage cans and other minor pranks, the younger people of the community were very well behaved during Halloween. The officers reported not a single instance of vandalism had been reported. This is perhaps due largely to the fact that public and private parties were arranged for the entertainment of the youngsters, an annual custom which is replacing the costly pranks of the past.

Truckee this week is losing one of its most prominent and well-liked citizens—Father Jerry Boland, for the past five years in charge of the Catholic parishes in this district. Father Boland has worked hard and sincerely and has well earned the high respect in which he is held by both Catholics and Protestants. The entire area will join in wishing him the best of everything in his new post and extends best wishes to his successor here, Father Patrick O'Niell.

FATHER BOLAND IS LEAVING HERE FOR NEW PARISH

Father J. Boland, for the past five years in charge of the Catholic parishes in this district, has been transferred to Sonora and will asssume his new post Monday. His former assistant here, Father Patrick O'Niell, is taking over the local work and will have as his assistant Father Patrick Coffey, who recently arrived from Sacramento where he has been associated in St. Patrick's Academy.

In his new position, Father Boland will have two assistants and the change was considered an advancement. During his five years here, Father Boland has made many improvements in the various churches through the Truckee and Lake Tahoe district as well as being active in civic affairs. Two new churches at Lake Tahoe and a new church and parish house in Truckee are numbered among his accomplishments.

Lions Ladies Night Slated November 11

There will be no meeting of the Lions Club next Wednesday. Instead the members and their guests will gather at Donner Lake Lodge on November 11 for a ladies night program.

This was announced at last night's meeting in Capitol Hall. Fred Main, who helped direct the work, spoke on the disappearance of three people in Lake Tahoe and the methods employed in the subsequent search.

Donner Lake Couple Parents of Daughter

Mr. and Mrs. Don Horman of the Donner Trading Post at Donner Lake became the parents of a bouncing baby girl on Thursday, October 26, born at Reno. Pamelia Caroline, as the child was named, tipped the scales at nine pounds at birth.

Marriage License—

Claude J. Clabo and Nola L. Glisson, both of Truckee, were issued a marriage license at Reno this week.

At Football Game—

Ernie DeLisle, Reg Smart and Robert Johnston Jr. attended the Washington - Stanford football game in Palo Alto last weekend.

Huge Sum Spent On Highways In Past Few Years

Truckee, Tahoe, Summit All Benefit Under Program

Since January 1, 1943, when Governor Earl Warren assumed office, to the present, the California Highway Commission has allocated to cities, for completed major highway projects; for major projects under construction and for budgeted major projects in the 27 northern California counties a total of $121,905,160.

In Nevada County, from Donner Summit area east through Truckee to the Nevada state line $465,100 has been expended on projects along U.S. 40. These included $51,400 for surfacing between Donner Summit and Donner Lake in 1943; $118,400 for additional surfacing between Truckee and the state line in 1945; $15,600 for repairs to restore the structural qualities of a bridge over the Truckee River; $213,500 for widening and resurfacing between Kingvale and the Flycaster curve, both the latter in 1948; $66,200 for constructing the new freeway-type roadway from Bridge Street and Commercial Row eastward in 1949. In additions, $90,000 has been budgeted for work over Donner Summit in 1951-52.

Last year from Sierraville north, $130,000 was spent on bringing the road up to modern standards.

Also on Highway 40 from Gold Run to Kingvale, $53,600 went to reinforce and resurface to restore stability for heavy traffic using the route, in 1945; this summer, $31,200 was used to widen parking areas for winter sports areas between Colfax and Truckee.

In the Tahoe City area, $176,000 was spent on improving the highways from 4.7 miles west of Tahoe City to Truckee in 1946.

Total value of projects through these mountain counties in the past eight years are Nevada, $1,436,000; Placer, $7,262,200; El Dorado, $1,400,200; Sierra, $458,000.

Car Theft Suspect Is Arrested Here

Sterling E. Newcomb, 23, of Placerville was arrested by State Patrolmen Charleston White and John Pedri yesterday afternoon and held for the El Dorado sheriff's office on a charge of car theft. Newcomb, who was employed at Squaw Valley, said he had "borrowed" the car from William A. Sawyer of Diamond Springs but found a job here and failed to return it.

Deputy Sheriff Ernie Carlson, who came for Newcomb, said the suspect was wanted for questioning on bad check charges as well.

Truck Brakes Fail, Vehicle Hits Bank

James Lee Hale, 33, Los Angeles, told State Patrolman Roy Stallard that his air line broke while he was descending Donner grade Tuesday night, causing the heavy laden truck to get out of control. The driver banked the vehicle and the trailer overturned. No one was injured.

Recent Bride Honor Guest At Shower

Mrs. Carl Miescke was honored at a surprise bridal shower on Saturday, October 28, at the home of Mrs. Frank Giovannoni. Games were enjoyed and after the opening of gifts, refreshments were served to the guests, who included mothers of first grade students, faculty members and wives of faculty members of local schools, where Mrs. Miescke is a teacher.

Assisting Mrs. Giovannoni as co-hostesses were Mrs. Barney Phipps and Mrs. Dave Rose. Several of the husbands spent a pleasant evening visiting and playing cards at the Rose home next door.

Mr. and Mrs. Ted Stone are living at Healdsburg where he is engaged in logging work.

J. Cabona, Life Long Resident, Succumbs Here

Funeral services were held at the Truckee Colonial Mortuary Tuesday morning for John Cabona, 71, a life-long resident of Truckee, who died at his home here Friday morning.

Father Patrick O'Neill officiated at the rites and pall bearers were Charles Harvey, Elmer Todd, Raymond Roberts, Peter Lazzari and Victor Salvaterri. Interment was in the Truckee cemetery. E. A. Parker acted as chaplain for the Eagles lodge at the cemetery.

Cabona was a native of Downieville, Sierra County, born October 12, 1879, but came to Truckee 60 years ago with his parents. For many years he engaged in the transfer business here but the loss of one hand forced his retirement.

He was a member of the local lodge of Eagles and was considered one of the expert fishermen of the region.

Surviving are four sisters, Mrs. Julia Crease of Truckee, Mrs. Lillie Pasquini, Mrs. Stella Brady and Mrs. Margaret App of Bakersfield, and a brother, Louis Cabona of Truckee. He was a brother of the late Dave Cabona, prominent Truckee businessman, who died here three years ago.

INTER-CLUB GROUP IS PROPOSED FOR CIVIC PROMOTIONS

Local service clubs and the chamber of commerce are being asked to consider a proposal by James Sherritt, president of the Rotary Club, that a Service Club Council be formed here.

The purpose of the plan is to consolidate the efforts of the various groups, including the 20-30 Club, Lions Club, Wyethia Club, Rotary Club and the chamber of commerce in promoting civic improvements and community projects.

Sherritt's idea, which is being presented to the groups in the form of by-laws and a letter of explanation, is to have two representatives from each of the organizations on the council. The council would meet at intervals to discuss proposals which would be related to the clubs by the council representatives. The decisions must be unanimous to secure the support of the united groups.

As an initial suggestion Sherritt proposed the purchase of an incubator for the Tahoe Forest Hospital. He said a number of other plans justified the support of the combined clubs but might prove too large for the individual organization to handle.

Randy Pomin Honored At Pre-Holiday Party

TAHOE CITY— Randy Pomin, 8-year-old son of Mr. and Mrs. Bob Pomin, was guest of honor at a Halloween party Saturday night at the Jay Shontz home here. Randy went to the hospital for an operation, which prevented him from enjoying the actual Halloween Tuesday night. Young guests who came in costumes and enjoyed an evening of games, refreshments and movies were Donny Pomin, Karen and Gary Henry, Duane Pomin, Jayne and "Bro" Shontz.

Cub Scouts Enjoy Party at Vets' Hall

The three dens of Pack 7 of Cub Scouts, with their leaders and parents, met for a pre-Halloween party in the Veterans Memorial Hall on Monday evening. Mrs. Gladys Pedley headed the committee in charge of the affair, Harvey Hocker conducted the games and Mrs. Walter A. Loynd and Mrs. Fred O. Morris served refreshments.

According to Mrs. Ray Roberts, a den mother, there are an average of eight members to a den.

Visits Dr. Affeldt—

Dr. Robert Hekel of Glendale has returned home after visiting here with Dr. Robert Affeldt for a few days. Dr. Affeldt has rented the M. A. Peterson house at Donner Lake and is making his home there.

Three Lost As Boat Capsizes On Lake Tahoe

Missing Couple Left Wee Daughter at Neighbor's Before Cruise

TAHOE CITY— The body of Mrs. Virginia Morrill, 30, Chicago, was recovered Wednesday afternoon from waters at the south end of Lake Tahoe as an extensive search continues for the bodies of Mr. and Mrs. Thornton W. Elliott, operators of Elliott's Sports and Photo Center at Tahoe Valley.

The three are believed to have lost their lives when the boat in which they took off from Connolley's Resort Tuesday morning for a pleasure ride was found upside down a mile offshore from Camp Richardson by Deputy Sheriff Fred Brenzel of El Dorado County.

The Elliotts left their four-months-old daughter, Linda Christine, in the charge of a neighbor, Mrs. John Johnson, at Tahoe Valley, who became alarmed when the parents did not return as planned and notified Deputy Brenzel at 6 p.m. Tuesday.

Jack Lyons, commander, and other members of Flotilla 61, Lake Tahoe Coast Guard unit, were out all night in a cruiser and other boats making the search. An airplane was said to have sighted the capsized craft.

The Elliotts said they were going to Emerald Bay and would return in a couple of hours.

Little is known of the missing people aside from the fact that they came to Tahoe last fall.

The lake was quite rough when the mishap occurred and the boat was small with an outboard motor.

STATE OFFICER IS ADDED TO LOCAL PATROL

The Truckee squad of the California Highway Patrol was increased, temporarily at least, by another patrolman with the arrival of John Pedri of Stockton. Pedri, who has been assigned to the patrol academy for some time, is a veteran officer and will be a welcomed addition to the squad which now numbers four men.

Pedri and Patrolman Charleston White have rented one of the cottages at the Gateway Motel.

The new patrolman was married last Saturday and his bride is living at Stockton.

Social Security Set-Up Explained at Meeting

The guest speaker at the Rotary Club meeting Monday was Ken Adams, Nevada City Rotarian, who spoke on the new laws affecting social security. Ernie LaPire, program chairman, introduced Adams. Guests at the session were Rex Tollefson, C. Edmunds and Richard Little, all of Truckee.

Some 120 youngsters of grammar school age enjoyed the Rotary Halloween Party at the Veterans Hall with games and refreshments. The affair was under the supervision of Clarence Osburn and William Curran. Mrs. Henry Loehr played for the grand march in choosing youngsters for their best costumes.

Adult Classes Topic Of Meet on Tuesday

Everyone interested in the formation of adult education classes is being urged to attend a meeting at the high school Tuesday evening at 7:30 o'clock. At the same time, E. V. O'Rourke, superintendent of schools, asked that the post cards indicating the subjects desired be mailed immediately so that a plan of procedure may be worked out.

A large variety of subjects are being offered and no charge is made for the project and anyone is privileged to participate, the superintendent said.

Wm. Waters 2nd Son Comes Home Tuesday

William Waters and son Billy greeted Mrs. Waters and second son, Barry George, on Tuesday when they left the hospital at Reno following Barry's birth there on Saturday, October 28. The boy's weight was six pounds and ten ounces upon arrival.

Returns from Trip—

Mrs. Elizabeth Bavier returned to her duties as postmaster last week following a vacation spent at Sacramento, San Francisco and Sebastopol. In the latter city she visited the Lloyd Greenes, former Truckee people.

Summit Scene

by FRAN COUILLARD

Ernie and Margot Nordstrom were ruled out of the amateur class and placed in the professional last Saturday night when they won the "Bite the Apple" contest at the Donner Summit Lodge Halloween party — third time prize winners which gives them the cup permanently. New faces in the crowd who were winners of the pie eating and musical chairs contests make it impossible to report on these events. Serena Nielsen and James Sherritt, teamed, won a hilarious contest known as "The Honeymoon" and little Elsie Olson of Tunnel Six carried away a bottle of champagne. The buffet was excellent and the place was filled on this 8th annual party given to celebrate Halloween. A room, warmed and guarded, was set off for the infants which allowed parents to enjoy themselves even though they could not get a baby sitter.

After summer round up dinners, weiner roasts, barbecues, smorgasbords and picnics, we welcome something new in the way of super-duper food. Ice Lakes, with its new Chinese chef offers Chinese dinners de luxe, starting next Saturday night, floor show and all. Strictly by reservation, says boss Bill Rutherford, and in anticipation of chow mein, fried prawns, etc., we curtail out eating habits for this week and make reservations as of now so that we'll be sure to make the quota. Rumor hath it the cook, formerly of the Mark Twain in Virginia City can throw this stuff together on a platter fit for the gods.

Milt Hogle, Bud Zorich and Kay Jansen off this last week end and a portion of this week to promote the Soda Springs Ski Corporation in the bay area.

Christmas tree cutting crews sit in front of the various lodge fireplaces biting their nails as they await the clearing up of the present storm so they can again swing their axes in the forests.

Falling trees in the recent high wind storm caused considerable damage at The Cedars and the Kingvale Tract. Caretakers in the Palisades had to be chiseled out of their winter trap by Ralph Rowton who removed fallen trees from the road in order to tow them out to the highway. Roy and Jess Thompson, Cedars superintendents, frantically ply back and forth over a ten mile stretch of badly cut-up road to get in their winter supplies in case the present storms prove the beginning of the real winter, although they report just a trace of snow in the Cedars region.

Astounding as it sounds, skiers braved the Ski Ranch hill last weekend and worked a dubious track from the top down to Tower No. 5. Those who can't wait had better come come heavily padded and bring their own first aid kits.

Just watched Robert Martinez' face as he opened "the" very important letter and, believe it or not, he grinned. Bob leaves for induction in just about a month, say the "Greetings."

Oscar Beach returns from Colorado with a group of friends with whom he went elk hunting. The big game hunter looks ruddy and rested and seems to have thoroughly enjoyed his time off.

Forest Supervisor Max Williamson takes off via wings for Boston to visit his folks for the first time in ten years and to pick up Nat and the two kids who traveled eastward by car a month ago.

Ole Ajer, first mate of Beacon Hill Lodge, was struck in the chest with the terrific spring of a garage door and is taped up like a mummy while he recovers from the effects of a couple of broken ribs.

Hans Benhard of Colfax dropped in as we write this to discuss plans for the Overland Routes, of which he is the instigator, promoter and tireless working executive. He was most anxious to know of progress in the new winter sports committee set up before he travels eastward for further Highway 40 promotion.

Rumor hath that the caravan of buses, loaded with camera fans from East Bay, Marin, San Jose and other northern California points will stop at Donner Summit Lodge for luncheon on their big weekend next, utilizing the Soda Springs double chair lift in ther picture taking of the first winter snows. Bud Horak is to get confirmation of the deal after our dead line but right now everything looks ship-shape. National magazine writers and newspaper men will accompany the several hundred camera addicts, which won't be too bad for the Donner Summit area publicity campaign.

Gordon Hooley, Jergen Vind and Mrs. Stanley Walton from the Donner Summit area attended a meeting of the Sacramento Valley Council of the state chamber of commerce in the capital city on October 6, a which various phases of northern California business, industry and recreation were under discussion.

My Place In the Sun

by DOUG BARRETT

The most important five minutes you will spend this year occur next Tuesday.....election day .....when you go to the polls to help decide how and by whom our state will be run for the next few years.....your vote is important.....use it.....three presidents have been elected by a single vote majority.....five states, including our own, have been admitted to the Union by the same margin.....one American vote can change the course of history and it could be yours.....be sure it isn't used against you because you don't use it at all.....Halloween passed here just a week before votin' day.....and passed without unpleasant memory.....a check of the marked windows along the main drag revealed only one obscene phrase.....written by some one big enough to know better..... in contrast, some window waxer had a twinge of conscience..... scrawling a big "Sorry" over the fronts of several stores.....Tony Pace's popularity with the young set was manifest by very rough portraits on several windows along the way labeled with that good merchant's name.....Constable Tom Dolley reports not a single instance of property damage or vandalism was called to his attention.....the terrific winds did more damage the few days prior.....we had some very polite and charming young ladies and gentlemen visit us during the evening and on Cabbage Night for "trick or treat".....several parties, with Rotary Club's big shin dig at the Vets' Hall the biggest, diverted a lot of mischief.....but I think a lot of credit is due to the youngsters' own sense of right and wrong for a sane Halloween in Truckee.....Bat Riordan showing Frankie Titus a tintype of himself taken in 1902.....when he, Bat that is, was working in a box factory down by the river.....Lynn Peterson has joined Charlie Heller's "harem" at the Variety Store.....adding her bit to the efficiency and attractiveness of the establishment.....Down at the Truckee Merc, Robert Moore, who with his spouse has just come to town, has shouldered a man-size job of helping Tony Pace.....the Moores migrated from Quincy to Santa Rosa.....wanted to return to the mountain.....so here they are.....and we're happy to have them.....Bill Porter, Mrs. Barrett, our four daughters and I went to Grass Valley Sunday to a reception for Governor Earl Warren .....Mrs. B. and his excellency had quite a chat over their respective families.....the Warrens toping us by two with three boys and three girls.....not to mention three grandsons.....

Are You A Full-Time Citizen?

At the last National Election, about half of us took our politics out in talk—45 million didn't bother to vote. And take district, school or chamber of commerce meetings—we're willing to enjoy the benefits but have no time to participate.

Maybe we don't realize what those things mean to us. The right to vote, to serve on juries, to talk up in meetings — these rights are fundamental to Freedom. Without them we are no longer free people.

So don't let's risk losing our freedom. Let's get out and vote. Let's take time to join civic organizations, to attend public meetings and to speak our minds. In short, let's get out and work as full time citizens.....

Don't Forget to Vote

SWANEE'S TAHOE LETTER

Tahoe City, October 30

Dear Tahoeites:

Snow has fallen most of the day but little has clung to the trees. Really freezing weather has not yet arrived and we natives hope it won't be in a hurry to get here. A little snow won't hurt but usb-zero readings make life at Lake Tahoe trying.

Tomorrow night is Halloween and the Tahoe Lake School faculty and parents have planned a marvelous evening of entertainment for the youngsters, including a costume parade from down town to the school (weather permitting), holiday games, refreshments and dancing. The party was planned to keep the children from an evening of mischief usually symbolic of Halloween. If the affair proves satisfactorily diverting, it will probably become an annual event.

Clinton Bastedo has been called back into the Navy and will report Nov. 21. He appeared on October 6 in San Francisco and was given 45 days to wind up his business here. He served five years with the Navy previously as a Chief Ship Fitter and saw action with amphibious forces in the last war. Mrs. Bastedo and two children will try to locate near his station when he has been assigned.

Stanley Z. Bolton, county tax appraiser for the Lake Tahoe area of Placer County, informs residents of this area that they should carefully check the assessed valuation of their property against the new tax rate and if they feel the bills they receive for taxes are too high, they can call him at Tahoe City 352W and he will be happy to discuss them or look them over for possible error and help secure correction.

Some anxiety is being felt for the safety of Al Henry Jr. and Clarence Beavers, who left Saturday for the Klamath River region of Oregon for salmon fishing. Weather reports on Monday describe the northwest as being heavily flooded, with washouts, landslides and marooned towns. No word had been received on Monday night and all hope that "no news is good news." A real scare was received by the C. W. Vernon family when their daughter, Mrs. Harold Farr, and husband, Mr. and Mrs. William Hearne, all of Oakland, failed to appear for breakfast Sunday, as planned. Not until late afternoon was it possible for the family to put through a call and discover that the trip had been deferred due to the bad weather.

The last day of deer hunting proved lucky for Les Fuson of Tahoe City, who went out in his car just a short time before the season closed on the last day. He decided to go to Antone Meadows to see what he could see, and shot a nice forked horn which dressed out at around 125 pounds.

Mrs. Gerry Waters last week executed a neat trick on her husband and his companions who went to Watson Lake to fish. Waters brought back a nice creel full of trout, as did his guests, Mr. and Mrs. Thorn Thompson of Berkeley and Mr. and Mrs. Bud Eason of San Francisco. As they neared the house, Evie called to her spouse from the window, "How about giving a dollar to the one getting the biggest trout?" Remembering his well filled basket, Gerry replied, "Don't be a piker, let's make it five!" What they didn't know was that Mrs. Waters had gone to the river a little before five and thrown in her line, bringing in an 18½ inch loch leven which out-sized any from Watson Lake —and took the five spot!

A. M. Henry of Tahoe City had his annual checkup last week to determine the status of an old back injury and his doctor found he wouldn't require the operation Joe feared was necessary. Mrs. Mary Planett of Verdi, mother of Mrs. Henry, is visiting for a few days, as are Mr. and Mrs. Verne Daniels. Mrs. Daniels went with Mr. and Mrs. Jess Brown to Colusa for a brief stay and all have returned to the lake. The Daniels will go to Las Vegas when his job here is finished. Mrs. Al Henry Jr. and children, Karen and Gary, are visiting Mr. and Mrs. John Ryan of Walnut Grove and will spend some time with her parents, the Carl Wheats, now residing in Sacramento.

The Catholic Corpus Christi Chapel near Tahoe Tavern continues to be filled each Sunday with worshippers at 11 a. m. Mass. There will be special services on Nov. 1, All Saints Day, and Friday, Nov. 3, both at 9 a.m.

Duck season opened at Lake Tahoe October 20 but according to local reports, said ducks have been few and far between. Little success has been reported up to this writing.

Just a reminder to all to mark Nov. 7 on your calender, election day. No matter how you vote, go to the polls and do your duty. And don't forget that Ken Steddom of Tahoe City is running for county supervisor from the fifth district. Good luck, good health and the best of good cheer fo all, as ever, Swanee.

Watsons Leave—

Mr. and Mrs. Rob Watson have closed their home in Tahoe City and left for their winter residence at Shingle. The Watsons plan to motor to San Anselmo this week to help their grandson, Timmy Collins, son of Mr. and Mrs. George Collins, celebrate his ninth birthday.

SUPPLEMENTAL PROCEEDINGS OF THE BOARD OF SUPERVISORS FOR THE MONTH OF OCTOBER, 1950.

October 23, 1950

The meeting of the Board convened at 10 o'clock A.M. pursuant to adjournment. Chairman Henry G. Loehr presided, and upon roll call all the members were noted present. The minutes of the previous meeting of the Board were read and, upon motion duly made, seconded and carried, were ordered adopted as read.

On motion duly made, seconded and carried, it is ordered that the request of the State Forest Service to construct and maintain a telephone line along and adjacent to the County Road from the Shady Creek Camp to Columbia Hill be granted, and the Chairman and the Clerk are hereby authorized and instructed to execute an agreement with the said State Forest Service on behalf of the Board.

On motion duly made, seconded and carried, the County Service Officer is hereby granted permission to advance Mr. Sam Gillon to the position of First Assistant at the monthly salary of $200.00 per month, and the said County Service Officer is further granted permission to hire a second assistant to fill the vacancy, at the monthly salary of $175.00 per month.

G. N. Dodge, operator of a sawmill at Columbia Hill requested that the Columbia Hill Road be graded and put in a fair condition to permit logging operations. He was informed by the Board that this is a problem between himself and Supervisor Coughlan and the County Road Commissioner.

On motion duly made, seconded, and carried, it is ordered that the sum of $200.00 be transferred from the Unbudgeted Reserve Fund to the Treasurer and Tax Collector maintenance and operation budget for the payment of extra help in getting out tax bills.

The Deputy District Attorney being present, the Board proceeded to read and consider each section of the proposed salary ordinance, and, after its reading and consideration, the Board ordered the adoption of Ordinance No. 173, and ordered its publication in the The Union.

On motion duly made, seconded and carried, it is ordered that the sum of $19,000.00 be transferred as a loan from the Veterans Building Fund to the following funds: $1650.00 to the Salary Fund; and $17,350.00 to the General Fund.

On motion duly made, seconded and carried, it is ordered that the sum of $97.32 be transferred from the Unbudgeted Reserve to the Nevada County Disaster Council for payment of maps.

The Board unanimously adopted a resolution opposing propositions 1 and 6 on the November 7th general election ballot and ordered that publicity be given to this fact as it is felt by the members that these two propositions endanger the economic safety of the People of the State of California.

The Board unanimously adopted a resolution to request the State Department of Public Works to hold public hearings on the maximum weights all bridge structures in Nevada County will with safety to themselves, sustain, and report back to the Board.

The following moneys were ordered paid from the:

GENERAL FUND: Warrants Nos. 5308 to 5484, $15,799.56

SPECIAL ROAD IMP. FUND: Warrants Nos. 343 to 417, $22,430.03

No further business to come before this meeting, the meeting adjourned sine die.

R. E. DEEBLE, County Clerk and Ex-Officio Clerk of the Board of Supervisors.

STOP THE "FIX"

Wide-open, commercial gambling would be "fixed" in California if the promoters of Proposition No. 6 put over their scheme.

The promoters *name themselves as a 5-Man Gambling Commission with absolute power for six years* to make their own rules, issue and revoke gambling licenses, and run their own gambling establishments.

They would be handed 6 million dollars from the State Treasury just to get started! And they could send *you* to jail for playing penny-ante poker at home if you didn't get a license from them first!

Under Proposition No. 6, gambling spots would be *exempted from local taxes*—yet local communities would be burdened by the huge cost of *increased police protection* against the horde of racketeers, gangsters and hoodlums that Proposition No. 6 would attract to California.

TAX RATES BOOSTS HERE, PLACER SEEN IF PROP. 1 PASSES

The average home owner in Nevada County and Placer County can expect the tax bill on his home to go up about $28 and $26.75 respectively, contrasted with a "saving" of about $4.50 and $3.91 in the tax on his furniture if Proposition No. 1 is not defeated and the crisis it would create was solved by putting the burden of the lost revenues on real property, California Taxpayers' Association declares.

Total property tax bill in the counties for 1949-50 were $980,422 nd $2,170,635, levied on the following assessed valuations:

	Nevada	Placer
Personal property	$5,253,070	$11,952,540
Real property	$18,958,860	$43,603,435

If this tax bill had been levied only on real property, it would have meant an average tax rate increase from $1.12 to an estimated $5.17 in Nevada County and from $1.07 to $4.98 in Placer on real property for 1949-50.

Fishing, Hunting Income To State Increases

SACRAMENTO —(W. N. S.)— Actual sales of both hunting and fishing licenses are bringing in more money to the state than ever before.

This was indicated in a report of the state division of fish and game, which gave the figure-up to September 30 as follows:

Hunting licenses, $563,656.50 for the 1949-50 fiscal year to September nd $585,792 for the 1950-51 fiscal year.

Angling licenses, $2,626,197 to September 30, 1949, and $2,637,573 to the same date this year.

Deer tag license sales, $164,570 for the 1949 season and $165,111 for this year's season.

URGES BIG TURNOUT FOR ELECTION IN STATE NEXT TUESDAY

T. H. DeLap, state chairman of the Republican Party, has issued a statement stressing the importance of a large vote in next Tuesday's elections.

"November 7 marks a crucial election day," he said. "Vital issues affecting every Californian and every American are at stake. The Republican Party hopes and expects the biggest vote in history will be cast.

"The Republican Party of California has an outstanding slate of candidates in Governor Earl Warren, Richard Nixon for U. S. Senator and Edward S. Shattuck. Equally outstanding are the candidates who won both major party nominations in the primary election — Lt. Gov. Goodwin J. Knight, Treasurer Charles Johnson, Secretary of State Frank A. Jordan and Controller Thomas H. Kuchel."

DeLap urged every eligible voter to go to polls, to vote for the Republican candidates and to take on the added responsibility of getting at least one other person to vote on November 7.

Tahoe Was Disease-Free During September

TAHOE CITY— The Lake Tahoe area of Placer County was free from communicable diseases during September, according to a report received by Mrs. Marie Henry, member of the county board of health. A total of 30 such cases elsewhere in the county was noted in the report.

Poor Vehicle Lights Are Hazards to Life

You bet your life when you drive your car at night without proper lights — both front and rear — the California Highway Patrol warns motorists.

Traffic hazards greatly increase with the lengthening hours of darkness, it was pointed out. Vehicles with blinding, improperly adjusted headlights or "one-eyed" cars are menaces on the road and can easily lead to a fatal accident, the patrol said, adding that tail lights which are barely visible or out entirely can also mean disaster.

Why you should
VOTE YES
on No. 11

This ballot proposition corrects a defect in the law, to make it possible for an owner of land registered under the Land Title (Torrens) Act to withdraw it *if he wishes to do so.* There is now no way to do this.

The measure was passed unanimously by the State Legislature and signed by the Governor, in answer to the plea of many distressed property owners. Proposition 11 will save taxpayers hundreds of thousands a year, by simplifying the work of County Recorders, whose association has endorsed it. Proposition 11 also has been endorsed by scores of civic, labor, and business organizations, and so far as we know has been opposed by none.

VOTE YES on No. 11

CALIFORNIANS
FOR PROPOSITION 11

(Political Advertisement)

Defeat the Tax Shift Scheme!

Proposition No. 1 would remove all personal property from taxation in California. The revenue loss (some 200 million dollars a year) would have to be made up from other tax sources—most likely from sharply increased taxes on small property owners, increased sales taxes, or both!

The bulk of personal property taxes is paid by a special class of business concerns who own little or no real estate, but have large investments in inventories, parts and equipment.

Proposition No. 1 is an attempt on the part of a few to shift their rightful share of the cost of government to the general public.

Don't pay somebody else's taxes!

VOTE NO ON PROPOSITION 1

General Election, November 7

U.S.F.S. HOME SITES AT TAHOE TO BE AWARDED BY LOT

There are so many applicants for leasing summer home sites in the government-owned Pope estate at Lake Tahoe, and the adjoining Baldwin Estate if the U.S. Forest Service also acquires that tract as planned, that Forest Supervisor Wes W. Spinney of Placerville says a lottery will have to be held to match applicants with lots to be made available.

The forest service has bought up the 1022 acres Pope Estate for $175,000, selling off timber stumpage elsewhere to complete the transaction and is in the final stages of negotiationg for the $750,000 Baldwin Estate, both on the southwest shore of Tahoe, surrounding Richardson's Resort.

Spinney told newsmen and public officials in an on-the-spot inspection of the project recently that the Pope Estate surely and the Baldwin Estate, if acquired in the near future, will be made ready for at least limited use by the public next summer.

The forest service will install picnic tables and fireplace stoves in the pines immediately back of the beach itself. Still farther removed from the lake shoreline, but within short walking distance will be family-sized camp units, with tables, stoves, tent space and parking areas. Organizational campsites and lots to be leased for summer home sites will be located throughout the area to be developed.

Two El Dorado County supervisors, B. K. Harper and Cyril Heusner, and State Senator H. E. Dillinger told the newsmen they consider the acquistion important to relieve overcrowding of the Tahoe-Fallen Leaf areas.

Plts of the properties to be acquired by the forest service at the south end of the lake being completed by landscape engineers, preclude commercial use of the land.

Bests End Season—

The Don Bests of Woodland have closed their Lake Tahoe home for the winter.

CAVE ROCK CHAPEL UNDER STUDY BY CATHOLICS IN RENO

Catholic diocese authorities in Reno are considering acceptance of Cave Rock, spectacular beauty spot on the east shore of Lake Tahoe, as a gift for the erection of a shrine to Our Lady of Fatima. The offer was made by George Whittell, Lake Tahoe and San Francisco land owner, to the Bishop of Reno.

The church authorities indicated the actual transfer of land may be effected shortly.

Preliminary plans for construction of the shrine have been considered for a long time by Rev. John J. Ryan, Reno parish pastor, who for years conducted Catholic services in that area of Lake Tahoe.

Father Ryan suggested a rock pulpit be fashioned in Cave Rock, the front of which would be an amphitheater large enough to seat 1,000 persons. At one end of the amphitheater would be a winter chapel capable of seating 300.

Cal-Neva Builder Victim Of Heart Attack

Masonic funeral services were held Saturday at Reno for Adler M. Larsen, 52, California and Nevada building contractor.

Larsen died of a heart attack October 25. He constructed several buildings of note, including Cal-Neva Lodge at Lake Tahoe and the Carson City high school He was associated for several years with Norman Biltz in the Sierra Construction Company and while with it, erected the Biltz Building in Reno and many Lake Tahoe homes.

NEVADA COUNTY REPUBLICAN CENTRAL COMMITTEE

(Political Advertisement)

THE TRUTH ABOUT NO. 6

CUT TAXES 25%! STOP THE $400 MILLION YEARLY PAYOFF

Gov. Warren's Crime Commission estimates the "payoff" to police and public officials in California at $400 a year. These "pay offs" are the bribes paid by the underworld for the privilege of conducting illegal gambling. Vote YES on No. 6 to stop this graft, put gangland out of business, as shown in the film "711 Ocean Drive."

ARTIE SAMISH, SWING COMMITTEE, SANTA ANITA

The series of articles by Velie in Collier's Weekly exposed how Samish, the kingpin lobbyist, controls our Legislature—by owning enough legislators, body and soul. to control our state senate. The state senate, in turn, appropriated $20,000 of taxpayers' money, handed it to the Swing Committee to fight No. 6. Every citizen of California who loves liberty and wishes to preserve it at home should vote YES on No. 6 and thus rebuke this unholy triple alliance of SAMISH, SWING and SANTA ANITA. Unless No. 6 wins, an emboldened and lobby controlled legislature may next time appropriate not $20,000 but $20 million to fight the next initiative which threatens the Santa Anita monopoly and the "hoodlum empire."

LIFE MAGAZINE SAYS:

"Gambling laws, like Prohibition, are impossible to enforce..... Under legalization the graft would stop and a good part of the $6 billion (payoff money) could be channeled into taxes." (LIFE, June 19, 1950). Vote YES on No. 6 and make the "payoff" money pay 25% of YOUR taxes. Our Samish controlled state senate has published campaign literature commanding the voters to vote "NO" on No. 6. Will you obey Samish's puppet? A "NO" vote is a vote to keep conditions exactly as they are now, with corrupt officials receiving "payoff" instead of the state receiving taxes.

TAXPAYERS!

California law permits pari-mutuel betting at tracks, where it is regulated, controlled and TAXED. But off-track betting, done through several thousand unlicensed "bookies" and 10 to 25 times greater in dollar volume, is uncontrolled and UNTAXED.

If it is legal to get at the tracks, it should be legal anywhere. Rolland A Vandegrift, legislative auditor for the State of California, estimated that the state could receive $321,931,205 per year in taxes on off-track wagering if "bookies" were licensed by the state.

TAX THE BOOKIES AND CUT YOUR TAXES 25%!

Old age and blind pensions cost California taxpayers $270,000,000 per year. The tax on bookies alone would more than pay the entire pension load, which is approximately one-fourth of California's billion dollar tax bill.

PENSION PEOPLE

We all remember that last year pension measure No. 4 was repealed by pension measure No. 2 because of a taxpayers' revolt. Taxpayers and pension people have never, until now, been in agreement. Their financial interests have been adverse. But now, united for the first time, with equal interest in the adoption of No. 6, their combined voting strength assures overwhelming victory. Pension people are not disturbed by the SAMISH-SWING COMMITTEE taunt that No. 6 does not pay increased pensions at once; pension people know that No. 6 will set up a pension fund which cannot be spent by the state for anything but pensions. No. 6 will soon make possible the dream of every friend of pensions, namely, a pension of at least $125 per month paid as a matter of right and without any increase in taxes.

The repeal of last year's No. 4 convinced all thinking pension persons that no substantial increase in the pension or no lowering of the pension age can be expected until some source of revenue can be found which will not increase taxes. A tax on gambling is positively the only new tax which can be levied which will not and cannot be passed on to the consumer in the form of higher taxes.

Santa Anita pays part of the present old age pension in California. A tax on liquor pays all of Colorado's pension, which is larger than the Californna pension. Let's tax the "bookies" and pay all of a bigger and better California pension. Get rid of the "snoopers." Vote YES on No. 6!

BUSINESS MEN FAVOR LEGALIZATION!

With the adoption of No. 6, countless thousands of visitors will be attracted to California; they will spend hundreds of millions of dollars for all kinds of goods and services. Every business man and every resident will get his share of increased business and increased property values. Furthermore, the adoption of No. 6 will keep California "play money" at home. No longer will neighboring states get their tax money from California people. Vote YES on No. 6 and make California the playground of the world.

TO PRESERVE the INITIATIVE AND REFERENDUM — VOTE YES ON NO. 6!

Only those persons actually present at the Swing Committee hearings know how the Samish-controlled Swing Committee trampled rough-shod over all American concepts of legal and civil rights and fair play. The very existence of the Swing Committee with its admitted purpose of defeating No. 6 was in itself a brazen, contemptuous, unlawful invasion of the constitutional right of the people to adopt an Intiative measure at the polls "independent of the legislature."

At the "kangaroo court" hearings of the Swing Committee, the proponents of No. 6 were not permitted to call a single witness to testify in favor of the measure or to cross-examine the carefully prepared and hand-picked witnesses chosen by the Swing Committee itself to attack the measure, to misquote it, to misinterpret it.

The truth is that minors will not be permitted to play slot machines, nor will a license be required for any home or social game of gridge, canasta, poker, gin rummy, bingo or any other game, even though money changes hands. To require a license the game must be conducted by an "establishment" in the business of conducting games of chance to make a profit for the "establishment".

TRUTH IS NOT WHAT THE SAMISH-CONTROLLED SWING COMMITTEE SEEKS!

It's purpose is to confuse the public and to defeat No. 6 in order to protect the SAMISH-SWING-SANTA ANITA AXIS. Don't be fooled. Vote for your own interest. Vote to cut your taxes 25%. Vote to end gangland control in California — the only state in the union where Mickey Cohen is ever permitted to sit down! Vote the gangsters out of business and drive them from California by state regulation, control and TAXATION. Destroy the nest-egg of organized crime—illegal gambling. Vote to preserve the Initiative and Referendum.

Vote Yes ON No. 6

LAKE TAHOE SKI CLUB'S PROGRAM IS IN HIGH GEAR

TAHOE CITY— Work on the jumping hill at Olympic Canyon, Lake Tahoe Ski Club's winter sports grounds, has been delayed because of the illness of one of the cat drivers. The firm of King, Hall and Wallace has been engaged to do the task and work is expected to start as soon as the driver recuperates.

At the Lake Tahoe Ski Club's meeting Friday night, President Jake Stuart announced that the directors have leased the small ski hill near Tahoe City for ten years, subject to extension, to Howard Martin and Bradley Board. The new operators will install two ski tows and clear a new skiing area on the hill.

Stuart also revealed that the club has purchased two more lots adjacent to the hill in town which will extend their facilities and make the grounds more accessible

The dates of the Lake Tahoe Ski Club's FWSA championship country tournamentETAOINETA A, B, C and D jumping and cross country tournament have been confirmed for February 10 and 11, according to Mrs. Marion Stuart, corresponding secretary.

Eleanor Swanson was named as club publicity director.

Kjell Rustad, in charge of the Olympic Hill project, declares work will be started soon and he believed some provision should be made to get the bridge across the Truckee River in shape in time for the February meet so that spectators could be transported via weasel and sleds to the skiing area.

Arrangements will be made to secure films made by Dr. Frank Howard of San Rafael for showing at future meetings. Ray Fellows gave a 45-minute showing of skiing films made at Tahoe, Sun Valley , Squaw Valley and various meets since 1945, which were greatly enjoyed by those attending. Meetings will be held regularly every Friday night from now on, through the winter months.

MANY TAHOEITES BRAVE STORM TO ATTEND BANQUET

TAHOE CITY— Despite rain and wind of terrific velocity on last Thursday night, 55 members and guests gathered in the Tahoe Community Hall for the pot-luck turkey dinner sponsored by the Women's Club of Tahoe. Ladies of the group brought tasty dishes to supplement the main course and pumpkin pie topped off an excellent repast.

While the elements howled without and rain poured down in torrents, the guests calmly played cards by candlelight as the power was disrupted for several hours by falling trees.

Jimmie Martin carved the turkeys and among those assisting in serving the dinner were Mesdames Martin, Della Goss, Louise Geier, Beulah Carnell and Ida Simmonds.

Boltons Return From Eastern Vacation

TAHOE CITY— Mr. and Mrs. Stanley Z. Bolton of Tahoe Park are home again after a three weeks motor vacation which trip which took them first to Sun Valley, thence to Yellowstone, where they escaped just in time to avoid being snowbound, driving out in eight inches of snow. Their trip then took them to Iowa, Illinois, Pennsylvania, Kentucky and the races, Arkansas, Mississippi, through the Ozarks and thence to Big Springs where four billion gallons of water a day are discharged to form the Current River; on to Fort Knox, Arizona, New Mexico, Boulder Dam, Las Vegas, Tonopah, Carson City, Reno and home. They found rain and snow throughout the north but warm sunny weather on the return trip.

ROUGH WEATHER IS RECORDED WITH 2½ INCH SNOW FALL

TAHOE CITY— The level of Lake Tahoe on Monday stood at 6225.58 with 216 CSF of water leaving the gates of the dam at Tahoe City. Precipitation for October 29 alone was 1.35 inches with 5.94 inches recorded for the week ending October 30. High and low temperatures for the past week were: Oct. 23, 51, 36; 24th, 50,38; 25th, 42, 37; 26th, 50, 32; 27th, 38, 29; 28th, 50, 32; 29th, 55, 38; low on the 30th was 32. On the 26th, 2½ inches of snow fell and traces were recorded on the 28th, 29th and 30th but failed to remain on the ground.

Mitchells to Sutter—

Mr. and Mrs. Imon Mitchell of Sunnyside have moved from the lake with their son Imon Dale to Sutter where Mitchell has secured work for the winter.

World's First Motor Oil Developed Through Atomic Research!

NEW
100% PURE PARAFFIN BASE
RPM
MOTOR OIL

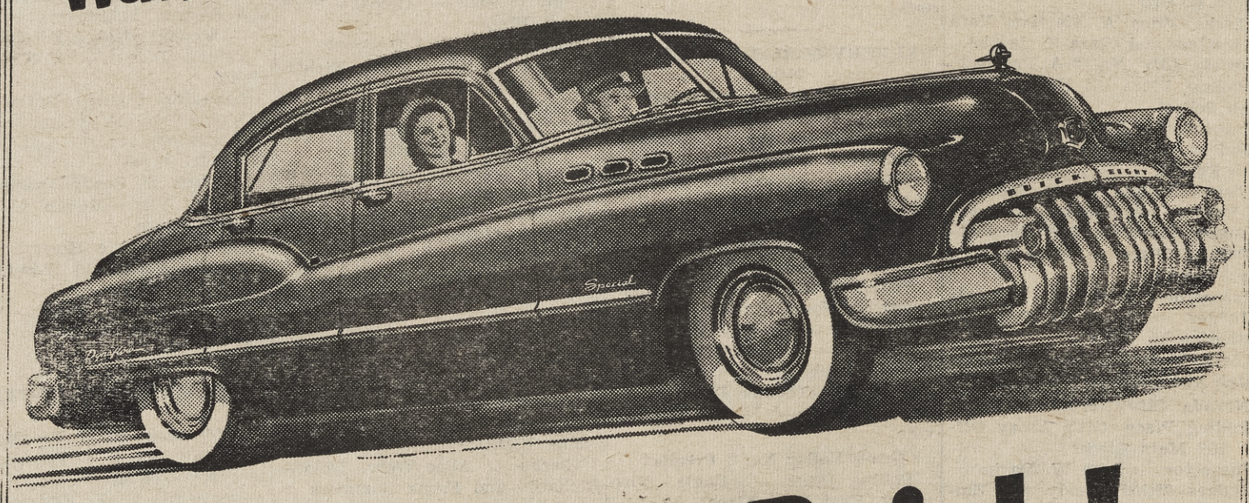

Doubles Engine Life
in the toughest test a motor gets!

Using a new atomic research tool, Standard Oil Company of California scientists for the first time in history measured wear as it *happened!* They developed an oil so superior that it doubles the life of average auto engines between major overhauls due to lubrication. Compared to conventional "Premium Type" oils as designated by the American Petroleum Institute, New "RPM" cuts in half the wear-rate of critical engine parts in stop-and-go driving—the toughest test a motor gets! Try it.

Want a ride that's "out of this world"?

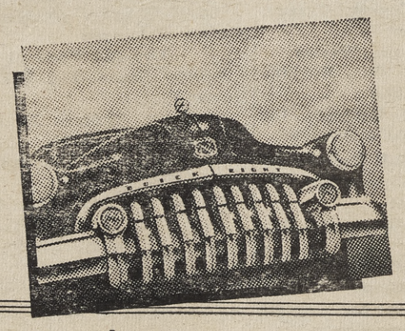

Better Buy Buick!

WANT to be free from that nervous tensing up for a jolt every time a rough spot looms in the road ahead?

Want to enjoy the relaxing feel of a sure-footed car beneath you, that stays level even when the road doesn't?

Well, sir, ease into a Buick and see how such matters are cared for.

See what a wonderful difference in level buoyancy coil springs can make when you have them on all *four* wheels, not just the front ones.

Note what firm and solid steadiness is yours when a full-length torque-tube drive is your keel—how smoothly you stay on course when the rear wheels can't help but run true.

See what big, low-pressure tires and Buick's wide rims can do to pillow your course without jounce or sway.

In other words, sample this two-ton beauty for over-all stance and balance—and the cradling comfort of its roomy interiors.

And while you're at it, get the very special thrill of its mighty Fireball power plant, plus the free-as-a-bird-in-flight bliss of its Dynaflow Drive.*

It's an experience that you owe yourself—and it's yours for the asking. The thing to do is get in touch with your Buick dealer—and discover the ride that only Buick owners know.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

North Tahoe

by T. BURROUGHS

It was a wonderful Halloween party the Brockway Rotary Club enjoyed at the Sierra Lodge on Monday night with 44 present. Two new members, Charles Chubb and Leon Barker, were inducted into the club by Sam Faulkner. Bud Mandeville, vice president, presided in the absence of Don Bowman, who had to be at the Carson City hospital while becoming the father of a 4½ pound girl. (Mother Grace and daughter Lyne Dee reported doing fine.) Chubb outlined a proposal to keep Dr. Nissem on the job this winter. On the entertainment committee were Hilliard Holmes, Mulford Miles and Sam Faulkner. After a delicious mahogany-broiled steak dinner, the host, Stan Parsons, cleared space for dancing which eventually wound up the evening.

Just heard that Ike Miles sprained a wrist last week while handling a bit of lumber around home. Dr. Nissem did a pretty job of bandaging and Ike handles the wrist with care.

Mr. and Mrs. Herbert Day left Monday for southern California where they will visit briefly before going on to their new home now nearing completion at Saratosa, Florida.

A. J. and Dorothy Ketman left Wednesday for their winter home at Menlo Park.

Dr. Mina Robinson and Mrs. Harry Coffin of Brockway left for southern California last Wednesday.

Many of our summer residents have remained late at their Lake Tahoe homes to enjoy the peaceful Indian Summer days. It is to be hoped that this practice will become more and more popular as time goes on.

Carol Howard and family are living in Kings Beach this winter to be nearer work and school. They have taken one of the Gordon Cabins.

With the help of Brockway's Rotary Club and Al Gerardi, the youngsters of North Tahoe were privileged to enjoy a Halloween party at the school house Tuesday night.

Christine Petroff, well known resident of Tahoe Vista, is reported to be ill in a bay area hospital. Her friends are sorry that she is not well and all join in wishing her a speedy recovery.

Mildred Burch entered St. Mary's Hospital, Reno, Tuesday night. We all hope you won't be over there long, Mildred.

Eugene Antonson of Kings Beach, who was seriously injured during the summer when a ditch in which he was doing some plumbing work caved in on him, is home from the Carson City hospital and walking around with the aid of a cane. Gene still must wear a back brace but is very happy to be home again. Your friends are glad to see you up and around again, Eugene.

Florence Miles is thrilled with her work at a florist shop in Reno. This means that David will change schools very soon and that Mulford will be going over as soon as he can possibly wind up the Lake Tahoe business for this winter.

Theresa Sutton is back home from a short stay at a Reno hospital, looking mighty fit and fine. The rest must have done you good, Theresa.

To The Voters of the 5th Placer County District

It has been impossible for me to meet and talk to each of you individually, but in this last minute message I want each of you to know that my platform as a candidate for your county supervisor is FAIRNESS TO ALL.

It is my belief that your board of supervisors can do a great deal to revive interest in development of a new highway, taking off Highway 40 at Auburn, going through much scenic and industrial territory and reach into Lake Tahoe and Truckee via Squaw Valley. This lateral was surveyed nearly a century ago and could be made an easy highway over the Sierra and relieve a congested condition, as well as open much virgin recreational and industrial potential.

I have many definite ideas to improve conditions throughout the district and earnestly solicit your vote.

L. L. ANDERSON
CANDIDATE FOR **SUPERVISOR**
5th Placer County District

General Election, Tues., Nov. 7, 1950

Supervisor Candidate Visits At Lake

TAHOE CITY— L. L. Anderson of Forest Hill, a candidate for the office of supervisor from the fifth Placer County district, was visiting in this area Tuesday. Anderson is basing his candidacy upon his knowledge of the needs of the district and has adopted as his slogan, "Fairness to All."

One of his principal points is his desire to open a new highway from Auburn, across the Forest Hill district and up the hogs-back of the American River to join Highway 89 at Squaw Valley. He contends the district would gain materially since such a highway would open considerable new, virgin territory for industry and recreational purposes.

Richard Hinkles' Son Is Born in Bay Hospital

TAHOE CITY— Mr. and Mrs. Richard Hinkle became the parents of a son, named Luke Aaron Hinkle, who weighed in at six pounds 15 ounces on Monday, October 30, at 1:33 p.m. in a San Francisco hospital. Mother and son are reported doing nicely.

Public Invited to Inspect New Health Center

TAHOE CITY— Mrs. Marie Henry, member of the Placer County health board, announces that invitations are now out to the public to inspect the new quarters of the health department at 360 Elm Street, Auburn, on Saturday afternoon, November 4, from 2 to 5 o'clock. The department moved there on September 28. The new building is modern and up to date and is designed to accomodate the department in all the many phases of its functions in carrying on county health programs.

Dr. Saul Ruby, health director, and his staff, which includes registered sanitarians, bacteriologists, public health nurses, vital statistician and clerical force, are proud of the new quarters and want the people of the county to come in and see for themselves the excellent facilities provided for conducting modern, full time health service in Placer County.

Weather permitting, Mrs. Henry will attend the open house on Saturday.

Starks Move Again—

The Rome Starks, formerly of Lake Tahoe, have recently moved from Lawndale to Sunnymead, located near Riverside, Calif.

"Fresno" is a Spanish word for "ash".

Urges Vets to Set Example At Polls on Tuesday

"You were ready to give your life for the American way. Don't fail to give it a few minutes of your time on Tuesday, November 7th."

Veterans in Nevada County were given this reminder today by John T. Trauner, county service officer, of the importance of exercising their franchise by going to the polls on Election Day.

"When you stop to think about it," Trauner commented, "the reason we have had to take up arms is because the right to vote in an honest election was either denied to, or not used by, a large proportion of people in other countries. It gave a clear track to the forces of tyranny and aggression. Other nations envy us our abundance of the material comforts of life, but many of them envy us even more our right to choose freely the men who make and administer our laws. If we ever start taking that right for granted, we're in danger of losing it."

Veterans are expected, and rightly so, to set the example in active citizenship, Trauner added. He urged them to study the issues and candidates and in particular to examine the pros and cons of the various propositions on the ballot, as summed up in the booklet issued to each registered voter by the secretary of state.

Coyotes Top Predators Killed in September

Vacationing—
Mr. and Mrs. Herb Mattheus left during the weekend for a vacation at Boulder City and other points of interest.

To Enter Service—
F. J. Howell is leaving today for Arkansas, his home state, from where he will enter the armed service.

Winter in Sacramento—
Mrs. David Campbell has returned to her Sacramento home for the winter.

Peterson Visits—
M. A. Peterson, highway patrol officer from Auburn, formerly stationed here, visited Truckee this week, looking after his property at Donner Lake.

At Convention—
Mr. and Mrs. W. M. Englehart Sr. and Wm. Englehart Jr. are attending a bottlers' convention in San Francisco this week.

At Parish House—
Mrs. Norman Highfill is now employed as housekeeper at the Truckee Catholic parish house.

Brian Phipps Is Feted On Sixth Birthdate

Brian Phipps, who was six years old on Friday, October 27, and several school friends, were entertained by his mother, Mrs. Barney Phipps. The party began with games and concluded with the serving of a special cake and other refreshments. Pumpkins and other Halloween appointments were appropriate to the season.

Other children present included Donna Gracik, Linda Giovannoni, Winifred Anderson, Mary Eve, Dorette Rose, Terry Walker, Eddie Vieu, Donald Brakefield, Jimmy Osburn, Barry Leamon and Bernal Phipps.

Family Party—
The birthdate of James Leamon was the incentive for a family dinner party given by Mr. and Mrs. Harold Langille last Thursday, October 26.

PAKISTAN MAN HERE TO STUDY BORDER SET-UP

Pakistan, one of the largest countries in the world, embracing 350,000 square miles and with a population of 75 million, was described by one of its citizens as a struggling democracy determined to find its proper place in the world.

Abdul Ghafoor, a student for the past two years at the University of California, is an employee of the Pakistan government, in this country to obtain modern methods of industry and agriculture. A part of this educational pursuit brought the young man to Truckee where, accompanied by N. D. Gardner, supervising inspector for the state department of agriculture, he was the guests of W. C. Gage at Truckee's quarantine station.

There he studied methods in operation to prevent insect destruction of California huge agricultural industry with the aim of taking his information to Pakistan where similar stations are proposed between his country and Hindustan.

Ghafoor explained that Pakistan is essentially an agricultural country and one of the largest granaries of the Far East. Rice and wheat are the main food crops and cover 36,000,000 acres. Jute, grown only in Eastern Pakistan is the most important of the major cash crops and 1½ million acres are devoted to its production average of 7,500,000 bales annually, accounting for 73 per cent of the output of the entire continent.

Approximately 80 per cent of the population is engaged in agriculture, Ghafoor said.

Pakistan was formed by the partition of the sub-continent of India in 1947 on the basis of the Islamic faith of the majority of the population. Communications are well developed and the country possesses all the important transportation facilities.

Culturally, the Moslems are the most homogeneous and predominant group in Pakistan, comprising about 70 per cent of the entire population. The remainder are Hindus of various classes and castes, Christians and Parsees.

The visitor plans to remain in this country until January when he will return to put his newfound knowledge to work in the development of his home country.

Ill Fortune Still Pursues Tong Family

Ill fortune continues to harrass the Tong family here.

A few weeks ago the youngest son, LeRoy, was taken seriously ill and following a major operation has since been confined to his home. On October 17, his sister, Mrs. Vernon Whitten of Norden, expired following a brief illness and now Mrs. Columbia Tong, their mother, is in a Reno hospital, where she underwent a major operation on her eyes.

A second son, Wilmer, has taken leave of his position at Oakland to come here to care for his brother.

Back from Trip—
Mr. and Mrs. William Englehart Sr. have returned from a vacation trip to Salt Lake City, where, among other pleasures, they attended a broadcast from the Mormon Temple.

To Arkansas—
W. A. Flynn, former local resident, has left Quincy, Calif., for Arkansas.

FOR SALE— Newly remodeled 4-room house on Church St. Inquire H. A. Gilson. tfc

Notice For Payment Of County Taxes

The taxes on all personal property secured by real property and one-half of the taxes on all real property for the fiscal year beginning July 1, 1950, and ending June 30, 1951 will be due on November 1, 1950 and will be delinquent on the 5th day of December, 1950, at 5 o'clock p.m. and unless paid prior thereto six per cent will be added to the amount thereof. The remaining one half of the taxes on all real property will be payable on and after the 20th day of January, 1951, and will be delinquent on the 20th day of April, 1951, at 5 o'clock p.m. Unless paid prior thereto six per cent will be added to the amount thereof together with a further charge of $1.00 for each lot, piece or parcel of land separately assessed and for each assessment of personal property.

All taxes may be paid at the time the first installment as herein provided is due and payable.

Taxes are payable at the Treasurer's and Tax Collector's office, Nevada County Courthouse, Nevada City, California.

ELMA HECKER
Ex officio Collector and County Treasurer, Nevada City, California.

RECIPE OF THE WEEK
By Mary Lee Taylor
Baked Stuffed Sweet Potatoes

4 medium sweet potatoes (2 lbs.)
1½ tablespoons molasses
3 tablespoons butter
few grains nutmeg
few grains salt
⅓ cup Sego Milk
4 marshmallows

Turn on oven; set at moderately hot (400°). Wash and grease potatoes. Bake 40 min., or until soft to the touch. Cut slice off top of each potato; scoop out centers and mash. Add molasses, butter, nutmeg, salt and milk; beat until light and fluffy. Pile into potato skins. Bake 10 min. longer; top with marshmallows. Bake 5 min., or until marshmallows are light brown. Makes 4 servings.

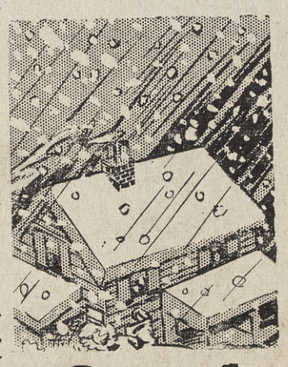

You Will Need:
Sego Milk, Sweet Potatoes, Marshmallows, Molasses, Nutmeg and Butter.

Tarzan

by EDGAR RICE BURROUGHS

AFTER BEING CAPTURED BY THE YELLOW MEN OF AMBERA, TARZAN WAS LED TO BLAKE, A WHITE MAN HE HAD ENCOUNTERED MONTHS AGO.

TARZAN SOON REALIZED THE SITUATION. SO THE LAND OF AMBERA WAS BLAKE'S QUEST! HERE WERE THE "FREAKS" HE HAD MENTIONED!

"THE STRANGE PIGMENTATION OF THESE PEOPLE WILL MAKE ME RICH," SAID BLAKE, SENSING TARZAN'S THOUGHTS, "I WILL SHOW YOU."

BLAKE HAD ALREADY STARTED HIS COLLECTION. TARZAN SAW MANY CAGED ANIMALS, ALL YELLOW

BLAKE SNEERED, "THESE PEOPLE ARE AWED BY MY GUN--AND MY COLOR. THEY OBEY ME OUT OF FEAR--"

"--OVER HERE, THEY ARE BUILDING A MEANS FOR ME TO SHIP MY FORTUNE TO THE COAST.'

HMM! SOMEBODY SOUNDS MIGHTY HAPPY!

WHAT HAPPENED? DID CAROL GET AN "A" IN GEOMETRY? SHE SEEMS UNUSUALLY PLEASED ABOUT SOMETHING!

SHE'S WALKING ON A BEAUTIFUL PINK CLOUD BECAUSE OF A CERTAIN IMPORTANT DATE TONIGHT!

SAY, CAROL, DIDN'T YOUR SCHOOL PLAY SANTA ANA THIS AFTERNOON? HOW COME YOU DIDN'T GO?

I STAYED HOME TO TAKE MY BEAUTY NAP! I HAVE TO LOOK MY MOST EXCRUTIATING BEST TONIGHT!

I'M HAVING MY FIRST DATE WITH THE MOST HANDSOME HALFBACK IN THE WHOLE WORLD!

HMM! WHO IS THIS PIGSKIN PACKER AND WHERE IS HE TAKIN' YOU THAT CAUSES SUCH EXCITEMENT!

HE'S ROG SAMUELSEN AND HE'S TAKING ME TO THE FOOTBALL DANCE! BUT ANYWHERE WITH ROG WOULD BE EXCITING!

DO TELL! I SUPPOSE HE'S A GOOD DANCER! BUT HOW IS HE AT FOOTBALL?

HE'S PERFECT AT EVERYTHING! AND WHEN I DANCE ACROSS THE FLOOR IN HIS ARMS I'LL BE THE ENVY OF ALL THE GIRLS IN THE PLACE!

I SUPPOSE YOU'RE WEARING SOMETHING SPECIAL?

11-5

NICE! MADE IT YOURSELF, EH?

I'VE BEEN WORKING ON IT FOR TWO WEEKS! AND I'M GOING TO USE THAT AWFULLY EXPENSIVE PERFUME I'VE NEVER OPENED!

ROG IS ON THE PHONE, CAROL!

YEH, I GOT A CHARLEY HORSE IN TODAY'S GAME AND COACH SAYS I GOTTA STAY OFF MY FEET TILL IT'S BETTER!
